

Toddler Room Newsletter

May 2022

Our Topic

The topic in the Toddler Room this month is 'Spring' and 'Growing and Planting'. We will be doing some lovely activities which relate to the topic such as, planting herbs, sunflowers, vegetable seeds and growing cress for the children to take home and look after. We will also be making some bird feeders for our playground now we are spending some more time outside.

Slippers

We have recently been redecorating our Toddler Room in which we have laid a new, comfy carpet. Can we ask all parents/carers to provide their children with slippers which they can leave in nursery and wear throughout their sessions. Please could we also ask that the slippers are initialled or your child's name is clearly visible in them.

Home Learning

Please encourage your child to:-

- Wash and dry their hands independently.
- Maybe visit your local garden centre or families garden to look and talk about the flowers and springtime.
- Have a look if you and your child can spot some insects in your garden or on a walk.

To encourage home learning, we would love to see what you and your child get up to at home! Please upload your photos onto your child's development record on Capture for us to see! If you are unsure about how to do this please ask.

Colour and Shape

The colour of the month is blue
and
the shape is square.

Welcome to the Toddler Room

We would like to give a warm welcome to our new Toddlers that have started this month: Quinn, Noah, Myah, Tommy and Brooklyn. We hope you enjoy our time with us and have lots of fun!

May Birthdays

We would like to wish a **Happy Birthday** to Rosie and Lydia who are both 3 this month. Logan also turns 2! We hope you have a wonderful birthday.

Bank Holiday

We will be closed for Bank Holiday on Monday 2nd May opening back up again on Tuesday 3rd May.

National Children's Day

On Sunday 15th May it is National Children's Day, so from Monday 9th we will be celebrating our amazing babies that we get the pleasure of looking after, by having a party... JUST FOR THEM!!! We will be celebrating every day that week by having a disco, making party hats, balloons, and bubbles, with party food for snack time.

Outdoor Play

Now the weather is picking up we are spending a lot more time outside. Please could you bring your child into nursery with sun cream already on, especially if they attend for the afternoon sessions. If your child attends nursery all day, please could you pop some sun cream in their bag for us to reapply for the afternoon. Even though we provide drinking water all day, could you also bring them a sunhat and a bottle which we can keep topped up with fresh water.

Thank You, Sonia, Ellie and Courtney xXx
