

Toddler Room Newsletter

June 2022

The Toddler room theme for June is '**Minibeasts, Insects, Birds**' and '**Summer**' we will be providing various activities to relate to this topic. However, the EYFS states that planning should follow your child's interests and individual needs therefore the topic will be adapted if a child shows a particular interest. If your child has a particular interest, please let us know and we will incorporate it into our planning.

Book of the Month

From this month we will be focusing our planning on a specific book. The importance of this is to encourage the children to look at books and printed material from an early age, so they are interested in reading as they grow older. Our book this month is, '**The Very Hungry Caterpillar**'. If you have this book at home, please spend some time reading to your child. There are also some great versions of the book on YouTube. Please see the information sheet attached with more advice about the importance of early reading. *'If you read a bedtime story to your child every night from birth, that's 1,460 stories they've experienced before even starting school.'*

Home Learning

Please encourage your child to:-

- Wash and dry their own hands.
- Tidy away their own toys after playing with them.
- To put their own shoes on.
- Read or look at our book of the month.

Colour and Shape

The colour of the month is Red. The shape of the month is a Circle. Please encourage your child to recognise each of these whilst you are at home and out and about.

WELCOME TO THE TODDLER ROOM

We would like to give a warm welcome to our new Toddlers who will be joining us this month. Welcome to Willow S, Kobe, Ida, Edie, Lyle and Bradley. We hope you have lots of fun with us!

Sun Cream/Sun Hats

Now the weather is hopefully starting to get warmer, please could you apply sun cream on your child before bringing them to Toddler Room. If your child attends the Toddler Room all day, please provide a bottle of sun cream so we can apply it throughout the day. Your child will also require a sun hat as we will be spending more time outside.

Father's Day

We will be celebrating Father's Day on Sunday the 19th of June 2022, all of the children will be making a card for someone special.

June Birthdays

We would like to wish Aurelia, Effie, Isabella and Charlie a big happy birthday, all turning 3 this month!

Labelling your child's belongings

Can you please ensure you label all belongings such as coats, slippers, and bottles. Additionally, can we please politely ask that if your child is potty training, they are dressed appropriately to access the potty easily. If your child cannot independently pull their trousers down, this increases accidents. Likewise, can we also ask that if your child is in nappies, they are appropriately dressed. We are finding that if children have lots of layers on, and they wear pull-ups it's taking practitioners more time as they have to fully undress children. Thank you.
